Registration

Regular library cards will be issued to persons of any age who are residents of the State of Wisconsin. Proper identification is required before a Monarch Catalog card can be issued. Applicants must provide proof of residency by providing valid government issued identification: Wisconsin driver's license, Wisconsin ID or passport with a Wisconsin address. For residents whose identification doesn't include a local address matching their registration, proof of Wisconsin residence is required from a utility or tax bill statement with a local address.

Persons with out-of-state identification may receive a regular library card if they can show proof of long-term rental or property ownership. Applicants must provide valid government issued identification (driver's license, state-issued ID or passport).

Seasonal cards are available to persons whose permanent residence is outside the State of Wisconsin and who will be residing temporarily in Wisconsin. Both permanent and temporary addresses should be on the application. Seasonal cards are issued for four months from the date of application (renewable if account is in good standing).

Regular and seasonal parents (or guardians) may request a card for their minor child. A seasonal child's card will have the same restrictions as the parent's card. Applicants under the age of 18 years must have a parent or guardian give their consent on the application form before an Monarch Catalog card can be issued. Those wishing video and Internet privileges must have a parent or guardian fill out and sign the appropriate application for use. Items cannot be checked out nor the Internet used until library staff can verify information with parent or guardian.

Library card holders must notify the Elkhart Lake Public Library if their card is lost or stolen. The first replacement of a missing card is free. There is a \$3.00 charge for replacement cards.

Regular library cards expire three years from the date of application. Seasonal cards expire four months from date of application. Fines and charges are expected to be paid prior to renewal. Inactive accounts (in good standing) are deleted after three years of non-use.
